

Curious about the
NL Space Campus
of the future?

NL SPACE CAMPUS

Looking into the future

Space is the domain of human imagination. And so, on a much smaller scale, is building a space campus. NL Space Campus provides space for endless possibilities, for exploration and discovery, for new and growing business ventures. This is our vision of the campus. It's not a map, it's a direction.

Intrigued?

- 1 Scan the QR code or open the link:
www.totalreality.app/nlspacecampus
(iOS - Safari and Android - Chrome)*
- 2 Grant access to your camera.
- 3 Scan the marker in portrait mode
(phone held upright).

Please note that this technique may not work on older devices and/or software.

** Only works on newer smartphones that support webAR. iPhone 8 and higher and Android with Chrome version 53.*
